

Tysoe Neighbourhood Plan

Pre-Submission Draft

15th May – 29th June 2017

The public consultation on the first Pre-submission Draft has now closed.

Both the Parish Council and the Neighbourhood Planning Group would like to thank you for your overwhelming response.

We will not be accepting any further comments at this time and are presently working through all the comments that we have received with a view to making amendments to the plan.

There will be a further Pre-submission consultation in the Autumn where you will have the opportunity to see and comment on the amended plan prior to its submission to Stratford-on-Avon Council.
