104/19 OPEN FORUM

A member of the public (MOP) asked about the flooding issue at Old Cottages which was unresolved. Cllr Sinclair reported that she had seen WCC workers undertaking some investigative work there recently.

AP1 June CC Williams agreed to chase this up

MOP reported that neighbours had tied a rope swing to a tree outside their house, on public land, that they believed was a H&S issue.

AP2 June CC Williams to report this to Highways

MOP reported that many of the public footpath signs were in a state of disrepair and sometimes also difficult to find. On the new development, gates had been added and signage was unclear. The lady had gone off the public path by accident but had been followed and asked to leave but she had felt rather intimidated. The Chair advised that the PC had notified WCC of many issues with regards to the development and an enforcement officer had been out and the situation was being monitored.

AP3 June CC Williams to look into getting signage improved

N.B Cllrs agreed to amend the agenda and move agenda item 18 to this point.

111/19 POOLGATE SIGNAGE

Cllr Rivers-Fletcher requested a new cul-de-sac sign as there had not been one for more than 5 years. The Chair advised that this was not a PC issue and that this should be reported to Highways which Cllr Rivers-Fletcher agreed to do.

Cllr Cross asked Cllr Rivers-Fletcher to report a sign on Back Lane also. He would also report a sign at Baldwin's Stables that was not compliant for a conservation area.

112/19 PARISH APPLE MAC RE-LOCATION

Cllrs discussed the re-location options but then **agreed** that if there was already a computer there from SDC, a second one was not really needed. It was suggested that it could possibly be donated to the school. Cllr Littlewood **agreed** to investigate further.

115/19 BANBURY STARS CYCLING CLUB

Cllrs Littlewood and Sinclair had met with Steve Walker, Chair of the CTT Midlands District Council, and raised the following:

- Speeding of bikes through the village
- Notice of forthcoming events
- Possible re-location of the meeting place
- Number of bikes outside the Village Hall
- Start and finish location to reduce the number of riders registering on the bend by Hopkins
 Farm where there had already been an accident
- o Behaviour of riders to residents of the village

Mr Walker had agreed to notify the time trial secretary at Banbury CC of the concerns. Cllrs had received and noted the correspondence received.

N.B DC Feilding joined the meeting at this point

116/19 STREET LIGHTING

Cllrs Rivers-Fletcher and Millward reported on the street lighting, particularly in relation to those in Poolgate which were now classed as Category Red. The current lights were now obsolete, the workings in them were old and the integrity of the concrete pillars was not very good.

The Pc had budgeted £5k to start replacing street lights on a rolling programme which would take 8-10 years.

Following discussion on the options and styles it was **agreed** to choose the Windsor Iffley option at a cost of £1900 each as the quality and style was appropriate for the village. The cost included removal of the old lights and installation of the new.

Proposed Cllr Cross

Seconded Cllr Rivers-Fletcher

AP4 June Cllr Rivers-Fletcher to undertake a survey on street lighting with the residents of Windmill Way

117/19 CORRESPONDENCE

All Councillors confirmed that they had read the correspondence. No comments were made.

118/19 DC FEILDING

DC Feilding reported on the following:

- On-going difficulties with the Roberts development at Meadow Lane.
 - This would probably be going to Planning on 12th June.
 - All correspondence he received was being passed straight to the Planning Officer (PO)
 - Currently trying to get a stop notice from the Enforcement Officer (EO).

Cllrs commented that Water Company operatives had been intimidated by the builders and that the whole situation was now getting completely out of hand. Planning weren't seen to be applying the law as it stood and the number of issues it was causing was far too high. The PC had requested a legal opinion from the Chief PO, Robert Weeks, which DC Feilding would chase as no reply had been received. The PC believed that they were flouting all the rules, Conditions 18/19 had not been complied with and the EO was not doing anything to stop them.
