Editorial

As a nation, we British do not like being told what to do. Whilst on my way home the other day I was confronted by a sign saying 'Road Closed'. Yes, like 99.99 per cent of the population, I too thought True or False and How far can I get? It will come as little surprise to the motoring fraternity that the answers to both questions were: False and All the way home.

According to my dictionary Closed means: not giving access; shut. I'm unclear on which part of 'Closed' the Council and their contractors do not comprehend. At school I was taught not to use words I didn't understand! The roads around here are already impassable enough because of potholes etc; we motorists certainly don't want further restrictions placed upon us. We get precious little value from paying our Road Tax already.

If anyone can reduce the incidences of these fallacious signs on the highway please do so. Motorists are already on information overload with the plethora of new development signs complementing a roadside already crowded with Highway code signs, nature trail signs et al.

Tysoe Church of England Primary School – Summer 2019

This is my last update as Head of School as I retire at the end of term. It has been my privilege to lead the great team of staff and fantastic children at Tysoe. I have striven to instil the core values of friendship, responsibility and perseverance, for the children to have fun in their learning and to gain skills for life. I will miss everyone including the many members of the local community who have been involved with the school and thank everyone for their support. I wish every success to Ms Paige Neale as she takes over the role in September.

Recently, we held a week of outdoor activities across the school. Our Year 5 and 6 children went on a residential trip to Marle Hall for a week of adventure, including gorge scrambling, canoeing and rock climbing. Another group went to Ryton Pools to enjoy pond-dipping and den building in the woods. Oak Class went to Cotswold Wildlife Park and were very lucky to see a 4-day old baby zebra. Our youngest children had a fun day out at ‘All Things Wild’.

We also had a visit from the Explorer Space Dome which is a mobile planetarium that enables children to experience the amazing world of space. The dome filled the school hall and the children had to crawl inside into the dark hole! The shows were tailored to the age of the children and included facts about stars, the sun, moon and planets.

At Sports Day, the older children showed excellent leadership skills by taking care of the younger members of their house teams. There was also good competition in the sprints and relay races. Sunrising gained the most bonus points for fair play. However, the overall winners were Edgehill.

The Year 6 children performed their leavers’ show, ‘The Next Big Step’ which included many humorous moments, excellent singing and acting. It was a look back over the children’s primary years and then forward to taking the big step into high schools. As I take the next step forward, I send my best wishes to everyone who has supported me and Tysoe School.

TYSOE JUNIOR TENNIS

Junior tennis has been thriving on the courts this month as we welcomed 33 youngsters from Tysoe Church of England Primary School for ‘tennis taster’ sessions on 27th June.

Huge amounts of enthusiasm and lots of budding talent were clearly evident and we hope to see many of those who took part coming along for more tennis this summer.

ANY YOUNG PERSON who wants to give tennis a go is welcome to come along to the courts for our open sessions.

We will also be holding sessions throughout the summer holidays on Sunday mornings from 09.30–10.30 from the first Sunday in August.

These sessions are free and you do not have to be a member to attend. If you like playing, you are welcome to join and you can then play all year round. We have racquets you are welcome to use if you do not have your own.

The sessions are not intended to be coaching-based but simply to provide an opportunity to use the courts. Kids – please bring along your parents as they are welcome to join in! The sessions are free. All that we ask is that parents do not leave their children unattended!

If you have any questions, please contact us.

CONGRATULATIONS to the Mini Red Team in the Summer Team Tennis League. The U8 Red Team came third in their league of six teams. They had some great matches, from experiencing clay for the first time to their final match where they were one player down but only lost by two rubbers.

MONTHLY NEWS

A very special thank you to all those who gave their considerable generosity, time and skills to provide refreshments for a number of events during June and July. A delightful Afternoon at the Vicarage was spent relaxing under a gazebo in George and Drina's garden which was festooned with bunting and where the children were able to run about. It was a very friendly get together, as was the visit to St Mary's by the Bishop of Coventry, who officiated at a service of baptism followed by the confirmation of six candidates from around the deanery. It was quite a special occasion and afterwards we were able to enjoy a chat with Bishop Christopher over afternoon tea.

End of the school term was marked by a full church service with some excellent singing, followed by another chance to get together by providing afternoon tea for school leavers and their families.

Some dates for your diaries -

Musical Evening with David Brown in Church on August 3rd

Flower Festival on 14th September in St Mary's church followed on 15th September by Family Harvest Festival, a Bring and Share Lunch in the church, and at 4pm the Opening of wildlife area with teas.

A Poem for My Mom

She was a very kind lady, my mom
Other's first, self second, Friends and Neighbours would unburden
Listen, smile, never to judge
Always there, my mom .

“Wilf, put you coat on”, “Wilf, wear your hat”, “Wilf, take your scarf”,
“Wilf, come on in out of that shed and have your tea”
‘Naggin’ some might say. Love and concern I say devoted wife
Always there, my mom

Believe in you and you will achieve “Speak Prop-er-ly and you will spell
prop-er-ly”
Son always encouraged, never judged
Always there, my mom

Nickname: Bailey. David Bailey –Licenced to take photos
“Just one more – stand over there”
Our eyes would close with flash – or silly grin, Looked old – or drunk,
‘Embarrassing’
Always there (with camera), my mom

Flowers, Wild flowers, all flowers, Trees, change of colour, Plants, Gar-
den, Home –All proper names always known
Wild Bird song, Poppies, Only Son – My Privilege
Always there, Always there, my mom

Oxhill Road Poppies

I am grateful to Jude Canning, who has investigated the Oxhill Road pop-
pies. As I suspected , it was the disturbance of the ground, as happened
with the trenches of WWI, that caused the fantastic display not human
planting. Poppy seeds survive in the soil for decades. Thank goodness.

Book of the month

Fear - Trump in the White House by Bob Woodward.

Published last year, before the Ambassador e-mail spat of last month; it makes one realise that what Kim Darroch was saying was only the tip of the iceberg!

Tysoe WI

We've enjoyed a day trip to Highclere Castle, home of Downton Abbey, and the craft and laugh group visited Wensleydale Rare Sheep Farm locally, finding out about production of wool from sheep to shop, where a few purchases were made!

There won't be a meeting in August as our members are off to Green and Gorgeous Flower Farm near Wallingford for a tour and floral demonstration followed by afternoon tea.

We are hosting a ladies evening on Wednesday August 28th, 7.15 for 7.30 Tysoe Village Hall. We are thrilled to be welcoming Annie Broe who will be demonstrating skin care and make up along with tips and advice, and ways to wear those scarves we all have in abundance. Wine and nibbles included in the price. £6 on the door or contact Dee on 07799584479 for more information. Open to all, do come along and enjoy a fun evening out.

Our next meeting is on Wednesday September 4th at 7.30, doors open 7.15, when our speaker will be Tanya Goodwin on "Digital Detox for Life"

Everyone welcome, join us for a glass of wine and chat.

This Autumn we are looking forward to visiting Forge Mill Needle Museum and Jinny Ring Craft centre in October, Gloucester Quays Victorian Christmas Market in November and Webbs Garden Centre, one of the biggest centres, in December.

Our membership continues to grow, so if you would like to know more about our W.I. or are interested in any of our events, trips etc please get in touch.

Zero Waste Shopping Comes to Kineton on 10th August, St Francis Church Rooms, Southam Street, Kineton

with Everything Usefill's pop-up shop

Talk at 10.00 am by the founders of the award-winning Zero waste store to explore the issues and ways in which we can all reduce and recycle.

This company (Zero: see www.zerostore.co.uk) set up by two Warwickshire mums, aims to supply a wide range of goods – but without the plastic packaging which we are all trying to escape.

The local supplier of Zero products, Everything Usefill, based in Hornton will open from
10.30 – 12.30.

•

It works like this:

- **Bring any clean, dry, empty container**
- **Choose your goods (from pasta & spices to cleaning products)**
- **Container contents are weighed**
- **Pay and enjoy without the plastic waste**

Products available include everything from rice to eco- friendly locally produced cotton buds and a nifty alternative to cling film: wax wrappers.

Flower Show 2019 Sat 17 Aug 19

This year's Show starts on the Playing Fields at 1300 hrs. The Committee will be setting the show up from 1030 hrs the Friday before. If you would like to assist, please report to the Sports Pavilion by 1000 hrs Fri 16 Aug 19. It is a great way to see some of the inner workings of the Show and do something for the village. Similarly, at the end of the Show assistance collapsing the Show will be much appreciated. Just appear at the Marquee after prize giving. If anyone would like to help on the day itself (manning a gate, side shows, burger stand, etc) please contact me (680316) or any Committee member.

Tysoe Tennis Club Newsletter

The Ladies A Team is currently lying in 4th position in Division 3 (out of 6 teams) and needs to stay there to avoid relegation. The Ladies B Team is doing really well and will undoubtedly be promoted from Division 5 so we could end up with both teams in Division 4.

The Men's team has competed this year in Division 4 of the Wildmoor League, travelling as far afield as Redditch and Moreton to play. The team avoided relegation last year but, with a couple of matches still to play, it looks like they are destined for Division 5. We are very keen to encourage new players to swell the numbers and have been grateful to David Fellows and Tim Clarke for joining us this season.

In the midweek Banbury Town League it's been a slow start because of rain and rescheduling. Only 3 of the 12 matches have been played, with 2 wins and 2 losses.

Parish Council News – July 2019

Parish Council Meeting 8th July 2019

Tysoe Parish Council met at 7.15 on July 8th at the village hall. All councillors were present with 8 members of the public. After the usual declaration of interests and confirmation of the minutes of the previous meeting, members of the public spoke about the tree at the top of the playing field, replacing the road signs at Lower Tysoe, and the recent spate of burglaries.

County councillor Williams reported on flooding, a rope swing and footpath signing and maintenance. He also explained progress on HS2. Financial matters of the parish were then discussed and agreed. We were given an update about the neighbourhood plan. Two planning applications were discussed, street lighting and mowing were agreed, and there was a discussion about building practices in relation to a new development in Tysoe. Stratford's Core strategy was discussed in relation to housing supply.

Trees were discussed and an action plan agreed. A local farm tenancy and the lease for the tennis courts was discussed, as was the purchase of more defibrillators for the village. It was agreed that the parish computer would be located in the Tea Rooms, and that more litter bins would be obtained.

Vulnerable residents were discussed as was an allowance for the chair of the council. Councillors reported on their particular areas of responsibility, and the meeting closed just after 10 pm. All the decisions and agreed plans of action can be found in the minutes of the meeting by visiting www.tysoe.org.uk.

SAVE THE DATES!
St Mary's Church
is planning a
Harvest Celebration weekend on
Saturday 14th and Sunday 15th September.

Harvest is a time of celebration and appreciation, for everyone. This year we want to also remember how much our beautiful world is in danger and think about what we can do.

With baby steps but heaps of enthusiasm a group of us are offering some events over the weekend of 14th and 15th September that might interest you.

Flower displays, tea and coffee, a 'Gardeners Question Time', Harvest Service with Lunch, and activities for the children as we launch our wildlife area in the churchyard.

Please come and support us, or come and join with us in the drive to "Care for God's Acre".

For more information, or to join us, email Jackie.bell@me.com or speak to Jacqui Franklin or Rev'd George Heighton

The Record

An impassioned Editorial plea

My lamentable IT skills are common knowledge and although some things are becoming more intuitive many are not! What takes a teenager nano-seconds to correct can take me many minutes if not hours. My horticultural chipolatas are not natural bedmates with a key board. Working on a laptop they invariably hit unintended keys with interesting but usually unwanted results. But , I am willing to learn and have some time on my hands. Because of our tortuous production process, there is no scope for slippage or the first of the month delivery date will be missed. I don't like saying "Can't do" to anyone but missed deadlines are complete anathema to me. Please assist by only submitting copy in Times New Roman 12 point. Although individual changes of font only take a few minutes, collectively, multiple changes all add up to an unacceptable amount of time being wasted. If simple instructions can't be followed submissions will not be printed!

I apologise for being so unhelpful but until my IT skills improve I seem to be the only Editor in the parish. If you can do better and would like a modest challenge as the Editor please let me know.

What do you want from the Record?

Within reason, anything is possible but you **must** let the Editor know what you want . Some suggestions are shown below:

An e-Record

More/less frequent publications

Less prescriptive criteria for copy

Colour copy

Some of these might be possible if the demand existed. Once I have received feedback I will discuss the art of the possible through The Record. No comment will be construed to signify contentment.

WOT2Grow

Well a bit of summer has been noticed over the last month and that has brought things on well at the orchard. The soft fruit is delicious, as always, and although not as much as last year there is enough to go round! The blueberries have needed watering every couple of days as there has been a distinct lack of good rain, not complaining! Raspberries, red currants, white currants, black currants and gooseberries are all giving the members fresh, organic fruit!

The stone fruit pruning will be complete by the end of July and then it's on to some summer pruning of the largest apple and pear trees. This will not encourage more growth of these big trees but keep them at a manageable height and breadth. The July drop is necessary despite fears that there would be few apples and pears! Actually some of the early varieties have no fruit due to the frosts and winds but later varieties will have a good crop. But we do need some lengthy spells of rain, in between the sunshine, to help the fruit mature to a good size.

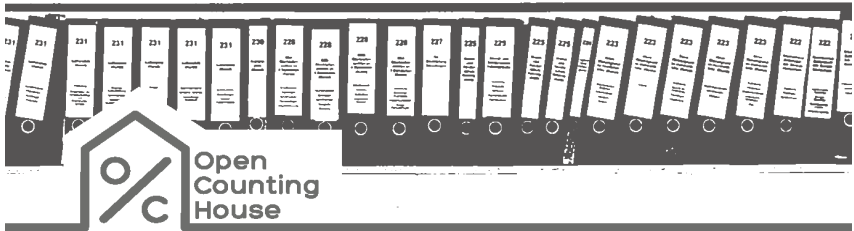

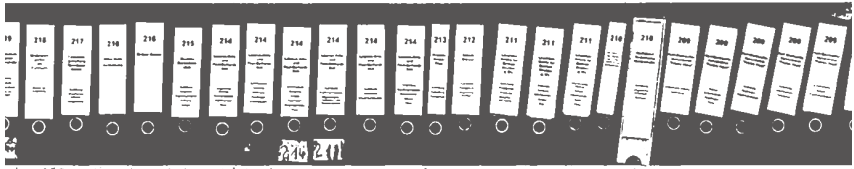

Mowing is always a major task and this year has been no exception. The mowing team have done a great job and even introduced an interesting chequer board approach by leaving patches of longer grass in between closer mown paths. This leaves more vegetation for wild life whilst maintaining hygiene under the trees. The main thing is the dandelions have been kept under control!

Join us to support the environment as well as getting great fruit! Your Community Orchard just behind the allotments on the Shenington Road in Tysoe

Remembrancetide Nov 2019

What a wonderful year it has been for wild poppies this summer. Let us hope it is equally good for this year's Poppy Appeal. This year I am looking for additional collectors to cover specifically: The Epwell Road, Middleton Close. If you could help out here please let me know. If you can help out anywhere else in the village I can easily adjust existing patches to accommodate new collectors. In the ideal world I would have hundreds of collectors each doing just a couple of houses. Sadly the reality is rather different with fewer collectors and larger collecting areas. Any increase in the number of collectors will be a bonus so if you would like to help in any way please let me know on 680316.

TYSOE UTILITY ESTATE GRANTS AVAILABLE

The Utility Estate (or Trust) provides discretionary grants to qualifying individuals living within the parish of Tysoe.

Students embarking on a recognised course of further education, having completed compulsory education.

A Christmas grant, delivered in January, is given to pensioners as follows:-

Ladies aged 62 and over. Gentlemen aged 65 and over. 3 years' residency.

A death grant towards funeral costs. 3 years' residency.

A discretionary grant may also be available to individuals suffering unexpected hardship.

GDPR prevents the trustees gaining access to individuals' details and we have to rely on our local knowledge. Whilst this is extensive, we cannot know about everyone who might qualify and, to this end, must rely on you to inform us.

For further details, please contact the clerk, Mrs Yvonne Dillon, on 680567 or e-mail tueclerk@gmail.com for an application form.

Making space for nature in St Mary's Churchyard

The recent reports in the national news about the adverse effects of human activity on the natural environment have inspired a group of us to think about how we might make the churchyard a more friendly place for wildlife, and also engage local children and adults in this activity.

As a first step, we're planning to develop a small 'wildflower meadow' beside the pathway on the north side of the church. This has been marked out with wooden stakes. Our aim is to allow one half of the area to grow for the rest of the summer to see which flower species are already present. With the other half we plan to introduce a variety of wildflower seeds, firstly scraping away some of the grass to allow the seeds a better chance to germinate. Rather than obtain seeds from a commercial supplier we're hoping to transfer some fresh, seed-rich hay from the churchyard at Oldberrow near Henley in Arden. Oldberrow Churchyard is well-known for its wonderful display of wildflowers.

We will be following the development of the 'meadow' and recording what's there from time to time. We will also be taking steps to encourage birds, by constructing nest boxes for next spring, and will be holding an event next spring/summer to find out more about bats. You are very welcome to come and look at the meadow and soon we will be providing more information about it in the church.

If you would like to take part in the initiative please telephone Rosemary Collier on 01295 680127.

The banner for 'The Bard of Tysoe' features a detailed black and white illustration of a traditional windmill. The windmill is the central focus, with its four sails extending outwards. The background is a textured, stippled grey. On the left side, there is a list of topics. At the bottom, the website address is displayed in a bold, white font against a dark background. The entire banner is framed by a thin black border.
