## TAKE AWAY

**BREAKFAST**

**A LA CARTE**

Call on 01608 663 333 and we will take your order and process payment on the phone.

We can leave your order by the door, or, if local, do our best to drop it by.

Or come to the bar, and order from a safe 2 metre distance!

In an attempt to reduce waste and help our beleaguered planet, we encourage you to bring along your own containers. We will sanitise them upon receipt.

Of course we also have take away containers, so please don't worry if you can't.

We are, as ever, proud and delighted to be a part of this community, and are here to support you as you have always supported us.
