

## **The Governance Game - Trustee training**

**Thursday 27th June at Tyler House Stratford Upon Avon from 12.45 to 4**

### **Workshop Details:**

Follow the (mis)fortunes of the fictional Borchester Charity, which has been operating successfully for a number of years. Through this fun and interactive half-day session, attendees will have the opportunity to comment on the actions and decisions made by the Borchester Charity Trustees, discuss how they would advise them and learn how to improve their governance skills and processes back, and apply their learning back within their own organisations.

### **Format, Learning and Resources:**

The workshop is interactive as attendees observe the Borchester Charity Trustees on film. Table discussion following each of the 6 parts offer the opportunity for sharing best practice and learning from each other, before summarising their learning using tools designed for measuring the effectiveness of the groups' current governance processes. WCAVA Trainers and Development Officers will facilitate the session, providing a pack of resources which reflect the Charity Governance Code for Charitable, Voluntary and Community organisations.

In preparation, background reading will be emailed to delegates before the event.

To book onto the event please use the following Eventbrite link: <https://governance-game-june-2019.eventbrite.co.uk>

Fee:

Members:\* £20

Non-members:\*\* £32, per person per session
